Subject: FW: VIP list

Pam:

Below is Brian's VIP list from Medtronic. As you know, these patients are currently covered by BCBS. Could you please check to see which, if any have a valid script that my qualify for the patches or other products at our disposal and let me know. Would like to get these patients something by month end.

For those that need a new script, I'll notify the patient accordingly.

Thanks
Scott
